**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and have chosen NOT to go with the larger companies that are not interested in serving my needs as a Senior. For me, cost and service are important.

It is all about the money for the big providers and not about the service to the people. It is important that there is continued competition and that service is available to all including the rural communities.
